CHANTRY DANCE

Chantry Dance is a theatrical contemporary ballet company formed in 2012, and led by Co-Artistic Directors and international choreographers, Rae Piper and Paul Chantry. Being one of a few professional dance companies in Lincolnshire, Chantry Dance has deep pride in its reputation in creating world-class and ground-breaking new productions, whilst working towards realising a vision where dance is accessible to all.

Partnering with CDC

Having the right partner in dance and in business is very important. By partnering with Chantry Dance, you will be contributing to the cultural tapestry of the UK.

Sponsorship is a unique opportunity for your company to be seen in its best light - as a supporter of artistic excellence.

As a partner, your company will gain access to an exclusive range of marketing, brand and performance benefits and opportunities to best meet your organisational needs and objectives.

Production Sponsorship

Rich in creativity and innovation, Chantry Dance has a reputation for creating new and original shows that excites, entertains and enriches the lives of our audience. We invite you to join us in welcoming our audience - your potential customers - to CD's performances.

As a supporter of an individual production, your support will make a significant impact on the set design and building, lighting design, costume design and making, individual dancers, marketing, travel, rehearsal studio hire, and video recording of the show.

Becoming a production sponsor enables your business to access privileges, outstanding targeted visibility, and recognition in return for your support. Our sponsorship packages can be customised to help elevate your network of clients, generate new customers, increase brand recognition and product sales, engage employees, and create community goodwill. We are committed to working with you to deliver just the right balance for you.

By becoming a headline sponsor your business development and client engagement benefits include:

- *Four (4) complimentary tickets to the sponsored production*
- *Name and/or company logo acknowledgment on printed and digital marketing materials and Chanty Dance website*
- *Name and/or company logo on the production sponsor thank you page in the program*
- *Recognition during the post-show Question and Answer session with the audience*
- *Invitation to attend a private studio rehearsal*
- *Invitation to attend meet and greet*

- *Dancers available to perform at your company's corporate events and/or in publicity material*
