

Corporate Sponsorship

CHANTRY SCHOOL

Chantry School (CS), the official school of Chantry Dance, was formed by Chantry Dance's co-Artistic Directors, Paul Chantry and Rae Piper, in order to provide a holistic dance training that prepares dancers for the profession. Underpinning this training is Chantry Dance itself, which offers students of Chantry School continuous support through employment and further development opportunities.

Partnering with CS

By supporting Chantry School's Talent Development Programmes, you will enable us to continue to offer excellent dance tuition. Your support will give the students a unique training experience which will prepare them for their professional careers.

Sponsorship is a unique opportunity for your company to be seen in its best light – as a supporter of world-class dance training.

Your company will gain access to an exclusive range of marketing and brand benefits and opportunities to best meet your organisational needs and objectives. As a partner, we will customise our sponsorship packages to help elevate your network of clients, generate new customers, increase brand recognition and product sales, engage employees, and create community goodwill.

Talent Development Sponsorship

*"People have asked me why I chose to be a dancer. I did not choose. I was chosen to be a dancer, and with that, you live all your life."
Martha Graham*

At Chantry School we support each dancer in attaining the highest standard of technique and virtuosity, whilst encouraging each student to explore their artistic passions and creativity. We believe these opportunities should be available to talented and dedicated young people, regardless of their financial circumstances.

There are two ways your company can partner with Chantry School. These include:
